

## TERMS OF QUOTATION

### AIR FREIGHT

Unless otherwise expressly specified in writing by EPL in the rates schedule or elsewhere:

- All rates are valid for, and expire after, 15 days from their quotation date.
- Air freight rates are quoted per kilogram, airport to airport, and exclude origin FOB charges.
- Rates are based on lower deck cargo.
- Volume Conversion is 6,000cm<sup>3</sup> = 1Kg (1cbm = 167 Kg).

### OCEAN FREIGHT

Unless otherwise expressly specified in writing by EPL in the rates schedule or elsewhere:

- All rates are valid for, and expire after, 30 days from their quotation date.
- Ocean freight LCL rates are calculated and quoted CFS to CFS on a revenue tonnage basis, either per cbm or per 1,000 Kg, whichever the greater.
- Volume Conversion is 1cbm = 1,000 Kg.
- Ocean freight FCL rates are quoted per container size/type, port to port.
- Rates are quoted on EPL's nominated vessel for general and in-gauge cargo.
- Rates are quoted based on maximum weight of 22 tons including container weight.
- Waiting time allowance is 30 minutes at each of the: pick up wharf/depot, premises and empty yard. After 30 minutes allowance charges will apply.
- Ocean freight FCL detention charges for late return of containers apply based on carriers standard tariff and terms, and in addition to these EPL charges a AUD 25.00 administration fee for processing each detention invoice.
- GRI, CAF, BAF, War Risk, Anti-piracy and any other surcharges may apply as imposed by the shipping line/s.

### IN ADDITION TO THE ABOVE

Unless otherwise expressly specified in writing by EPL in the rates schedule or elsewhere:

- All rates are based on cargo being routed through EPL or its agents only.
- Rates are subject to carrier's confirmation, acceptance and availability.
- All rates and services are subject to change without notice.
- Carriers local charges are subject to changes at any time including after cargo acceptance/ departure.
- Rates are subject to increases due to CPI, industry awards, GRI, PSS and carrier increases.
- All rates exclude fumigation and any other overseas charges for either an export or import shipment.
- All rates exclude quarantine fees, duties, GST and any other applicable statutory and government charges.
- All rates exclude marine insurance.
- Insurance coverage if requested is subject to confirmation and acceptance by the insurer, will be governed by the applicable insurance policy issued by the insurer, and will be subject to the insurer's rates. Insured value will be calculated at the cost of the goods + cost of freight + 10% (i.e. C&F + 10%).
- Currency conversion is at shipping line exchange rate plus 6% Currency Adjustment Factor.
- For payments in USD currency made from banks outside Australia an additional fee of AUD 35.00 applies.
- All EPL invoices must be paid to EPL upon receipt of EPL's invoice unless credit terms have been approved in advance in writing by EPL.
- Duty, taxes, custom charges, AQIS, government charges, storage, detention, demurrage and other disbursements are to be paid to EPL immediately upon receipt of EPL's invoice and/or prior to receipt of goods.
- Rates do not apply to dangerous goods, perishables, livestock, plants, human remains, personal effects, oversized cargo or cargo incompatible to the carrying aircraft or vessel type.
- Storage at sea depot, air depot or wharf beyond the free period allowed by the terminal will be charged at cost and in addition EPL charges a AUD 25.00 administration fee for processing each storage invoice.
- Cargo pick up and delivery require at least 48 hours prior notification in writing to EPL unless otherwise agreed.
- Volume Conversion for inland transportation/cartage is 1cbm = 250 Kg.
- All transit and other times provided are estimated times only based on information given at the time of quotation and subject to changes.
- Other charges, in addition to those quoted, may apply including extraordinary EPL charges where applicable, which will be charged on an hourly basis, and charges applied by carriers.
- All business undertaken with EPL is subject to EPL's trading terms available at [www.eplint.com](http://www.eplint.com).
